

# NBTVA 2026 UK CONVENTION & AGM

**Saturday April 25th from 10.00 am,  
Nealies Function Room, Derby Road, Milford, Belper, Derbyshire DE56 0RA  
Best postcode for Satnav is DE56 0QW**

We are meeting at the same location as used for the first time last year. Nealies Function Room is a well-equipped, ground-floor, curtained venue, offering ample car parking and level access. Do bring a guest if you can. Bringing packed lunch makes best use of available time – but Nealies are offering bar snacks. We can also direct anyone to nearby places serving lunch.

You're welcome to bring any equipment, items or literature to show, whether previously seen or not. Club Sales items will be available to buy.

## A SUGGESTION

If you can't attend, but have something to show, your photos and notes (or videos) sent in advance to Jeremy at <[jmjago@cooptel.net](mailto:jmjago@cooptel.net)> would add to the range of things to see and discuss. They would be greatly appreciated by attendees - and in due course by Newsletter readers. This has worked well at recent Conventions.

## HOW TO GET THERE

The location is on the **A6, Derby Road, Milford, Derbyshire** (only 2 miles north from our previous location, Duffield). The entrance is by the Elephant and Peacock, more widely known as the Strutt Arms Hotel. The best postcode for Satnav is **DE56 0QW** (the hotel, rather than the Function Rooms' own postcode).

Going north on the A6, once in Milford, look for the Mill chimney ahead. At the sign for the Elephant and Peacock, turn right into the pub car park, and from here, turn right towards our venue, Nealies Function Rooms.

**Bus Travel:** From Derby Bus Station bay 22, buses run every 15 minutes – the destination stop is the Strutt Arms, Milford. Return destination is Derby Bus Station.
