

NBTVA Membership Application/Renewal for 2025

Please complete and post with your cheque to:

Mr. D.A. Gentle, 1 Sunny Hill, Milford, Derbyshire DE56 0QR, United Kingdom.

WHY IS MY SUB HIGHER?

From 2022-4, lower fees were charged because of accumulated reserves with fewer newsletters issued. The frequency of newsletters depends on items received. The 2025 subs, still below those of 2021, are to meet current Club costs.

Subscription: United Kingdom (printed newsletters by post) £9.50 annually.

Europe (printed newsletters by airmail) is £12.80 annually.

Australia, NZ and The Americas (printed newsletters by airmail) is £13.30 annually

Or **Cyber subscription:** (emailed newsletters) £4.60 annually, anywhere.

Name (plus amateur radio callsign if any)

Address and Postcode (please include even for Cyber membership)

Telephone if any

Email address if any (we will not publish or share)

I enclose a crossed cheque/postal order for £_____ payable to NBTVA
