

NBTVA 2024 UK CONVENTION & AGM

Saturday April 27th from 10.30 am

Trinity Methodist Church, King St, Duffield, Derbyshire DE56 4EU

Used for a second year, this location offers a good blackout, essential to many demos and trials. This facility is requested by several members. Car parking is ample, and the spacious ground-floor hall has level access. Do bring a guest if you can. Bringing packed lunch makes best use of available time – but we can direct anyone to nearby pubs and shops serving lunch. Food, including sandwiches is available from, for example, the nearby Co-Op.

You're very welcome to bring any equipment, items or literature to show, whether previously seen or not. Club Sales items will be available to buy.

A SUGGESTION

If you can't attend, but have something to show, your photos and notes (or videos) sent in advance to Jeremy at <jmjago@cooptel.net> would add to the range of things to see and discuss. They would be greatly appreciated by attenders - and in due course by Newsletter readers. This has worked successfully at recent Conventions.

HOW TO GET THERE Destination Post Code: DE56 4EU

Duffield is 5 miles north of Derby and 3 miles south of Belper on the A6. (On the local area map here, the A6 is YELLOW.)

Trent Barton Buses to Duffield: The Sixes (6.1, 6.2, 6.3 and 6.4; all are yellow/orange) leave Derby Bus Station, bay 22, every 15 minutes, from 5 minutes past the hour and take 16 minutes to reach Duffield.

The stop you want is 'Tamworth Street' - dotted MAGENTA on map.

The buses have stop indicators. Walk north a few yards to King Street; you will see the venue, The Methodist Church, on the right. Our room entrance is to the left of the church.

(The Duffield Co-Op stop is dotted GREEN.)

For the return journey - dotted BLUE on the map - late afternoon buses are a little less frequent but leave from near the Baptist Church (across the A6) at 4.09, 4.39, 5.09, 5.29, 5.39, 5.54 and 6.09.

Rail to Duffield: Trains leave Derby railway station for Matlock at 52 minutes past the hour, arriving in Duffield 7 minutes later. From there it's a short walk along Station Approach to the A6. Then turn left and over the private railway line towards the centre of Duffield. Immediately after the bridge, King Street is the first turning on the right. Trains return to Derby at 3 minutes past the hour.

For those arriving by train but who then wish to take the bus, it's possible to buy an 'add-on' ticket for the bus when booking the train journey.
